INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On March 30, 2004, the Office of Utility Consumer Counselor filed with the Commission its "Motion to Modify Procedural Schedule," which appears in the following words and figures, to-wit:

[H.I.]

In its Motion, the OUCC requests that the April 21, 2004 evidentiary hearing in this Cause be rescheduled for May 26, 2004 or shortly thereafter. The OUCC further requests that the prefiling deadlines be modified to reflect the later hearing date.

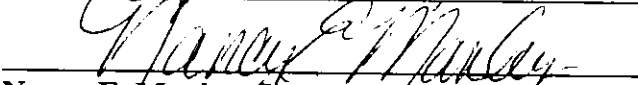

The Commission has received no objection to the OUCC's Motion, and therefore the presiding Administrative Law Judge now determines that it should be granted. Accordingly, the parties should adhere to the following changes in the procedural schedule:

1. The OUCC and Intervenors should prefile their respective cases-in-chief on or before May 3, 2004;
2. Petitioner should prefile its rebuttal testimony on or before May 12, 2004; and
3. The evidentiary hearing scheduled for April 21, 2004 will be continued to May 27, 2004, beginning at 10:30 a.m. in Room E-306.

**IT IS SO ORDERED.**
